

Hospital Rate List

Disclaimer:

The rates mentioned are standard outpatient charges and are subject to variation depending on the patient's medical condition, severity of illness, duration of hospital stay, room category, investigations, medical consumables, implants, drugs and any additional procedures or complications that may arise during the course of treatment. The hospital reserves the right to update the tariff from time to time. Patients and attendants are advised to contact the hospital financial counselling department for detailed cost estimates and clarifications prior to admission or procedures.
